

*At Louis D. Brandeis High School,*

*We will* provide an innovative and supportive learning environment which fosters student excellence, strong character, and life-long learning.

*We believe*

- Strong collaboration creates a positive, supportive learning community.
- Every student can achieve excellence.
- Integrity, trust, and caring are essential to quality individuals and communities.
- Life-long learning contributes to future success.

*We commit*

- To provide a safe, secure environment where students can flourish.
- To develop a culture of excellence by setting high standards and encouraging problem solving, critical thinking, and student involvement.
- To model and promote personal integrity.
- To incorporate innovative and effective educational practices which engage and motivate.
